

You are receiving this card because you have been prescribed XPOVIO® by your physician and have been enrolled in the ForYOU™ Patient Support Program.

The ForYOU™ Patient Support Program is designed to support XPOVIO® patients and their caregivers throughout the treatment journey.

This card includes important contact information for the enrolment process.

Please note, a representative from the ForYOU™ Patient Support Program will be reaching out to you to confirm your enrolment. Please be sure to answer calls or messages from the contact listed below.
